

body of work meditations on mortality from the human anatomy

Tue, 27 Nov 2018 17:16:00 GMT body of work meditations on pdf - The dead body harbors the great mysteries of creation and humanity: the hidden beauty and intricacy of function, the insistence of individuality, the inevitability of decline, the incontrovertibility of death set up against the ill-defined boundaries of life. Opening the body begins to unveil these mysteries. Centuries upon centuries of doctors have done so in search of wonder and knowledge.
