POVERTY REDUCTION IN RURAL NIGERIA 1. Introduction One of the main issues in development debates is how to tackle rural poverty. Sat, 05 Jan 2019 09:56:00 GMT POLICIES AND PROGRAMMES FOR POVERTY REDUCTION IN RURAL NIGERIA - The "Chinese Rural Poverty Alleviation Development Compendium (2011-2020)" established the Liupanshan mountainous region and 13 other contiguous particularly impoverished regions as the primary battlegrounds for rural poverty alleviation development for 10 years. Poverty Alleviation in Rural China | SpringerLink - For this discussion, "other" implies non-water sectors, e.g., energy, transportation, rural development, poverty alleviation, etc. Every development scheme that has a component concerned with water should not be considered to be a WR project. Unless the solution has substantial control and management of water, the project need not be in water domain. Therefore, all competing proposals of ...
